

MissionBrasil

Empowering underprivileged children for the future

Here we go!

After much anticipated time and a recent visit last December to Brasil, MissionBrasil is launching full time at the beginning of Aug to help the children of Brasil. We are sending the Vaz family down to Timoteo, Minas Gerais to help a local church reach children in poverty by providing different classes for them to attend. The church is called **Igreja Presbiteriana do Recanto Verde** and it already has classes that it offers to school aged children, such as indoor soccer, English, ballet, etc. This helps children stay off of the streets and out of areas that put them in risk. We are beyond excited to be back in Brasil and helping again.

At the same time we are helping another institution support children, we are also continuing to carry out the process of opening up a daycare for children in need. In years before MissionBrasil had geared it's efforts to do this in Recife, Brasil, however we have since then switched to focus on a different location. Since Eliane recently got married and her husband is from the area of Timoteo and has missionary connections, we have felt the move to a different location that are providing more open doors.

How can you help? Prayer... and lots of it! The Vaz family is stepping out in faith with their 1 year old daughter and dedicating their lives to helping the children of Timoteo. Another area of need is finances, since the Vaz family will be full time missionaries they will need help with everyday expenses. A breakdown of monthly expenses can be found below.
